

AUTOMATIC MEDICATION DISPENSER

Product Number : WMD1201

Don't risk missing another dose. This automatic medication dispenser stores up to four weeks of prescription pills and reminds you when it's time to take them. If you forget a dose, your Home8 system will send alerts to your authorized users.

KEY FEATURES

- Works with all Home8 systems
- Factory-paired for easy installation
- 28 pill cartridges
- Programmable scheduling for up to 6 doses a day
- Audible reminder alerts
- Automatically creates a medication intake tracking report
- Tamper-resistant lock to prevent accidental overdoses
- LED indicator
- Travel mode—the cartridge follows its programmed schedule, even when your dispenser is offline without an Internet connection, so you can receive reminders while you travel
